### EXECUTIVE SUMMARY

Tamara Stern Hundley serves as a Director for Hart Advisors and is responsible for business development and the future growth of Hart's CMBS loan assumption platform. In her role, she works with brokers and owners to assume, restructure and recapitalize transactions. Additionally, through Hart's sister platform, Hart Capital Partners, Tamara assists owners that have a need for new debt to refinance or acquire real estate throughout the US.

Tamara has a strong background in commercial real estate, including tenant representation, investment sales, project leasing and lease administration in the Houston and Dallas markets.
